Mental Health 2024 Committee Members

David Rowland

Biography: David Rowland is the prolific author of 77 scientific publications – 40 articles in peer reviewed journals, 14 chapters in medical and scientific research books, plus 23 book editions of his own. David has made contributions to the fields of neuroscience, theoretical physics, cardiology, endocrinology, and evolutionary biology.

Biography: ALAIN L. FYMAT is a medical-physical scientist and an educator. He is the current President/ CEO and Institute Professor at the International Institute of Medicine & Science with a previous appointment as Executive Vice President/Chief Operating Officer and Professor at the Weil Institute of Critical Care Medicine, California, U.S.A. He was formerly Professor of Radiology, Radiological Sciences, Radiation Oncology, Critical Care Medicine, and Physics at several U.S. and European Universities. Earlier, he was Deputy Director (Western Region) of the U.S. Department of Veterans Affairs (Office of Research Oversight). At the Loma Linda Veterans Affairs Medical Center, he was Scientific Director of Radiology, Director of the Magnetic Resonance Imaging Center and, for a time, Acting Chair of Radiology.

Alain L Fymat

Uqbah Iqbal

Biography: Dr. Uqbah Iqbal is a Socioeconomic Researcher at Research for Social Advancement. Winning Second Place in Malaysian Historical Essay Writing Competition 2013, he was the recipient of Research University Fellowship Scheme, Graduate on Time Award and Outstanding Student Award from Faculty of Social Sciences and Humanities as well as the Youngest Ph.D. in History Holder and the only Malaysian achieved a Ph.D. in History in conjunction with the 43rd Convocation of Universiti Kebangsaan Malaysia. He's also actively in the editorial board such as Asian Social Science, International Journal of Art and Literature, International Journal of Archaeology and History, American Journal of Social Sciences, Asia Pacific Journal of Education, Arts and Sciences, Social Sciences, Humanities and Social Sciences, History Research and Pratiidhwani the Echo. Through his involvement as a reviewer with the Nonfiction Authors Association, 15 of his reviewed books received Awards.

Biography: Sam Vaknin is a former Visiting Professor of Psychology, Southern Federal University, Rostov-on-Don, Russia and Professor of Finance and Psychology in CIAPS (Centre for International Advanced and Professional Studies).

Sam Vaknin is the author of Malignant Self-love: Narcissism Revisited and other books about personality disorders.

His work is cited in hundreds of books and dozens of academic papers.

He spent the past 6 years developing Cold Therapy: a treatment modality for Narcissistic Personality Disorder (NPD). Over the years, with dozens of volunteers, he found that it was effective with clients suffering from a major depressive episode as well.

Sam Vaknin

Alean Al-Krenawi

Biography: Alean Al-Krenawi has a Ph.D. from the University of Toronto, a Master of Social Work from the Hebrew University of Jerusalem, and a B.A. from Ben-Gurion University of the Negev, Israel.
